Dear reader,

I'm writing to confirm that I own the exclusive distribution rights for all of the works I'm publishing to Amazon, including the book under review at this time:

Lekker Los Laten - Leven zonder trauma by van Uffelen, Jeannette (AUTHOR) (ID: KEP-YQ3NNV1HE4A)

Tap & Let Go - Live without trauma by van Uffelen, Jeannette (AUTHOR) (ID: KEP-J80G9DBK38Z)

I am the legal copyright holder to this title and I hereby authorize Draft2Digital to deliver my titles to Amazon in the language, format, and territories submitted.

There is another publisher approved by me to publish these books to Amazon, called: Brave New Books, from The Netherlands.

The reason my books are published by myself via **two publishers** is that I need to use different forms and sizes for these books. And those were not available at one place.

So that is why I have to use the services of both, BraveNewBooks and Draft2Digital. had.

All books have different sizes and ISBN.

Kind regards,

A handwritten signature in black ink, appearing to be 'J. van Uffelen', with a long horizontal line extending to the right.
